Mr. Matthews,

I would like to extend my sincerest thanks to you and your staff for so graciously hosting me at the GREAT Academy. I was honored to have the opportunity to speak with your students and to learn more about your innovative curriculum.

After my visit, I have no doubt that students graduating from your program will be well-equipped to meet any challenges they face as they navigate through higher education and transition into the professional world. I would love to come back and work in conjunction with your faculty members to continue the conversation about financial literacy and your students' future plans. During my visit, I was truly inspired by their maturity and level of engagement.

Thank you again for the invitation and also for the thoughtful gifts. I look forward to working with you, your faculty, and your students again in the future.

Sincerely,
